Sir:

This is in response to the Notice of Abandonment dated April 29, 2004, in the above-identified application.

The Notice of Abandonment states this application was abandoned due to Applicant's failure to timely pay the required issue fee and publication fee within the statutory period of three months from the mailing date of the Notice of Allowance (i.e., by September 29, 2003).

Attached hereto is a copy of Form PTOL-85, Part B – Fee(s) Transmittal indicating payment of the issue and publication fees, and authorizing the fees be charged to Applicant's Attorney's Deposit Account. Following receipt of the Notice of Abandonment, and upon review of the file, Applicant's Attorney has discovered a typographical error identifying the Deposit Account number on Form PTOL-85. Specifically, Applicant's Attorney's correct Deposit Account No. is 501546, not 541546. Also attached hereto is a copy of the post card which accompanied the original Form PTOL-85, Part B – Fee(s) Transmittal, date stamped as received

by the United States Patent and Trademark Office on September 12, 2003. Accordingly, the issue and publication fees were to have been paid in a timely manner, however were not due to an erroneous Deposit Account number entered on Form PTOL-85. Transmitted herewith is a check in the amount of one thousand six hundred dollars (\$1,600.00) to cover the government issue and publication fees.

Also transmitted herewith is a Petition for Revival of an Application for Patent Abandoned Unintentionally Under 37 CFR 1.137(b), and a check in the amount of one thousand three hundred thirty dollars (\$1,330.00) to cover the required government fee.

Additionally, transmitted herewith is a copy of a Change of Correspondence Address which accompanied the originally filed Form PTOL-85.

It is believed this application is now in condition for issuance, prompt notice of which is respectfully requested.

Respectfully submitted,

JAMES R. DEL SIGNORE, II
